

# *What Obama Will Do For Us*

## **Economy & Taxes**

- Tax rebates to workers
- Cut income tax by \$1000 for working-class families
- Eliminate income tax on senior citizens making less than \$50,000
- Tax relief for small businesses
- Increase minimum wage

## **Healthcare**

- Quality, universal healthcare for all Americans, regardless of “preexisting conditions”
- Ability to move from job to job without jeopardizing healthcare

## **Energy Crisis**

- Substantial investment in alternative fuels
- Recognition that the current energy crisis won't end with offshore drilling, increased taxing of companies, or drilling in the Middle East

## **Social Security & Senior Citizens**

- Attempts to strengthen Medicare
- Voted for Companies to properly fund pension plans
- Plans to lower prescription costs and allowing overseas shipping of pharmaceuticals

## **The Environment**

- Invest 150 billion over 10 years to create better fuels and green collar jobs
- Double Fuel economy standards on motor vehicles

## **The War**

- Withdraw from Iraq based on ground conditions (~16 months)
- Redeploy in Afghanistan

## **Immigration**

- Additional personnel, infrastructure and technology on border
- Fix broken immigration system

## **Education**

- Create new Pre-K programs and double funding for after-school programs
- Reform No Child Left Behind, including methods of standardized testing and standards for funding

## **Higher Education**

- Simplify federal financial aid paperwork (Free Application for Federal Student Aid)
- \$4,000 tax credit for families with a member attending college
